The line men received most attention in yesterday's drill on Rollins Field. While the backs were being taught the fine points of stiff-arming and side-stepping, two lines were put through hard practice under the watchful eye of Schulte. Opening up holes for the runner was the particular point and, while the results were hardly startling, they showed improvement from earlier form.

Offensive play has demanded so much time from the coaches that the defense has been almost neglected. It is probable that this afternoon's tilt with the freshmen will show some of the weaknesses of the Tigers' defense. The rookies have been drilled recently in the use of the forward pass and if they show judgment in its use this afternoon may be able to get some past the close defensive formation of the Varsity.

Work against this kind of an attack is just what the Tigers need, for they probably will run up against several teams this year who are adept in the use of the forward pass. Meanwhile none of the regulars are showing their ability to direct the over-head attack of the Tigers. Several have been tried but the player with the skill, experience, judgment and ability necessary for the successful use of the forward pass has not yet put in an appearance at Rollins Field.

Four ten-minute periods today and a regular game Saturday should serve to show Schulte as well as the fans the strong and weak points of the Tigers and will give the big coach a line on the men to prepare for use in the Washington game next week. Pittman, Haines and possibly White and Wilder will not be able to appear in the line-up this week but all of the others are fit for hard work and will get thorough try-outs in the next few days.

Only about thirty-five men reported for the Varsity squad yesterday. According to Director Brewer this is the smallest number out for the team at this point of the season for more than ten years. The number has been running close to fifty all season and it is expected that the others will be out again soon.

All of the veteran line men were practicing yesterday. Lansing at center, McAnaw and Preston at guards and Van Dyne and Muir at tackles made up the first-team line; while Hamilton at center, King and Wittenberg at guards and Shy and Shannon at tackles opposed. Giltner, Bass, Slusher and Wilder held down the end positions. At times they showed more fight than football, which at least indicates that the men have the right spirit this fall, something that was sadly lacking in the 1915 team.

John H. Marshall, a promising man from last year's freshman squad, is confined to Parker Memorial Hospital. A scratch on the foot last year in scrimmage has become infected. It is possible that he will be on hand when the game is started Saturday, but H. F. Schulte thinks he will be unable to play.

The University of Michigan was victorious Tuesday at Ann Arbor in its first game of the football season. The Wolverines defeated Marietta, (Ohio) College, 28 to 0. Michigan's ground was won by smashing assaults upon the Marietta line, with Captain Maulbetsch, Parks and Raymond taking turns scoring. Marietta used only open plays and short passes. Coach Yost of Michigan made numerous substitutions.

Four members of the University of Kansas football squad this year are married. Members of opposing teams probably will "kid" father a little. The wedded players are Rea, Heath, Wint Smith and Clay Fiske.

C. H. S. Line Will Average 165 Pounds.

The Columbia High School football team has been shifted somewhat in the last week by Coach Schooler so as to get more heavy material in the line. The line will now average 165 pounds from end to end. Yesterday the lineup was: English and Woodward ends, Challis and Wayland tackles, Enland and Dysart guards, Wood center, Rutledge quarter, Petty and Montgomery halves and Reeves at full. Woodward is a new man, who played on Muskogee, Okla., High School last year. Yesterday was his first day out. Dr. J. R. Jordan has been secured to take care of the injuries. Doctor Jordan will make all the trips with the team and see that the men are kept in good physical condition.

Leon Morris, one of the regulars on the team, has been out of practice for the last few days because of a pulled muscle in his side. This will keep him out of the game for a short time.

The Columbia High School will not play tomorrow as they failed to schedule a game with the Westminster second team. Coach Schooler said that he had almost completed the schedule and has only two dates open. The schedule is as follows:

Oct. 12, Moberly High School at Co-

lumbia; Oct. 17, Sedalia High School at Sedalia; Oct. 20, Montgomery City High School at Montgomery City; Oct. 27, Slater High School at Columbia; Nov. 3, Richmond High School at Columbia; Nov. 10, University High School at Columbia; Nov. 15, Moberly High School at Columbia; Nov. 17, open date; Nov. 24, Kirksville High School at Kirksville; Nov. 30, open date.

RIVALS "THE SPOILERS"

The one rival to that great photoplay production, "The Spoilers," has been filmed by the Selig Company. "THE NE'ER-DO-WELL" was also written by Rex Beach and a majority of the Selig stars who aided in making "The Spoilers" famous, appear in its worthy successor, "THE NE'ER-DO-WELL."

A special company of Selig stars, including Kathlyn Williams, Wheeler Oakman, Eugenie Besserer, Jack McDonald, Frank Clark, Harry Lonsdale and others, were escorted to Panama by William N. Selig in order that true atmosphere called for in Rex Beach's story might be filmed.

The operation of a Panama fire department is not the least interesting of the many scenes in and near the Canal Zone. In the opening reel of "THE NE'ER-DO-WELL," there is a hand-to-hand combat that is one of the most realistic ever presented in motion pictures.
